## ***STARSTRUCK SENIOR CLASS***

***Pictured (left to right): Cole Domingo, Kyla Crowwhite, Kate Niebergall, Eliza Leishman, Avery Buttolph, Annika Rouse, Ella Moody, Penelope Holland,***

*Greetings to the many families gathered today here in the auditorium. We are thrilled to be celebrating our 40th year with you all! I know you are eager to watch your loved ones perform in our annual recital! I am honored to bring the season to an end and present you with "An Evening with Starstruck." Thank you for the care and commitment you have shown your children, it has a profound impact on their lives.*

*I would like to thank my entire staff that makes this all possible. I am truly grateful for each one of you!*

*As with each year, several of our dancers will be graduating from High School and graduating from Starstruck as well. I am always emotional reflecting back upon the years spent with the many talented dancers that have walked through our doors; each one taking with them countless memories of performances and of fellow dance friends and leaving behind their indelible legacy etched in our memories. This year we celebrate our fellow graduates: Avery Buttolph who will be studying Sports Nursing at Creighton University, Annika Rouse who will be studying Sports Journalism at SDSU, Cole Domingo who will be studying Psychology at the University of Colorado, Eliza Leishman who plans to continue her dance journey at Colorado State University, Ella Moody who will be studying Psychology at K State, Kyla Croswhite who will be studying Nursing at Grand Canyon University, Kate Neibergal who will be studying Biomedical Engineering at Ole Miss, and Penelope Holland who will be studying Dance Theater at AMDA.*

*We send each off with our blessings for success, health, and happiness; confident that in some small way, Starstruck has had a positive impact on whom they will become. Now go out there and be EXTRAORDINARY! May God bless each of you along your life's journey.*

*Thank you all again for sharing your time, children, and memories with all of us at Starstruck. We hope you enjoy tonight's performances!*

*Sincerely, Lisa Holtz Odell*
